

REMARKS

Reconsideration of the above-identified application in view of the amendments above and the remarks following is respectfully requested.

By this amendment, Applicants, while strenuously traversing the rejections, have canceled all the rejected claims in order to put remaining objected-to claims 46-47 in allowable condition. Claim 46 has been amended to correct the informality noted by the Examiner.

All of the matters raised by the Examiner have been dealt with. Thus, the application is believed to be in order for allowance. A prompt notice of allowance is respectfully and earnestly solicited.

Respectfully submitted,
